

AphasiaNZ Resource Library: Resources and Other Books for Loan

	Title	Author / Editor	Date Published	Country of Origin	Details about the Resource
1	A Workbook for Carers	Speak Ability	Unknown	UK	Aims to help carers understand aphasia and to develop strategies to facilitate communication with your relative/friend.
2	Aphasia - A Medical Dictionary, Bibliography, and Annotated Research Guide to Internet References	James N. Parker M.D. and Philip M. Parker Ph.D. (editors)	2004	USA	<i>For more information about this resource please ask AphasiaNZ.</i>
3	Aphasia and Associated Speech Problems	Michael Osnato, M.D.	1920	USA	<i>(This resource has been reviewed by an AphasiaNZ Trustee).</i> A reproduction of the original book published before 1923 and holds a series of case studies where aphasia (and other associated speech problems) occurs along with neuro-anatomy descriptions and diagrams of the day. The typeface and imperfections of the original publication are included in this reproduction. While interesting from a historical perspective, this holds minimal value for clients and their caregivers in relation to current practice.
4	Aphasia Couples Therapy (ACT) Workbook	Larry Boles	2010	USA	A template for clinicians who wish to engage the person with aphasia's significant other in the clinical process. Contains 26 communication activity templates such as grocery shopping, attending a party, requesting a change in medication, meeting a stranger and public transport.
5	Auditory Processing	Newcastle University Aphasia Therapy Resources	2009	UK	In Association with the Tavistock Trust for Aphasia. Book and CD(s).
6	Beyond Aphasia - Therapies for Living with Communication Disability	Carole Pound, Susie Parr, Jayne Lindsay and Celia Woolf	2008	UK	An exploration of therapies for those living with long-term aphasia as developed by the authors at Connect - The Communication Disability Network. Offers clear and practical ideas for readers new to social model approaches to therapy.

7	Classic Aphasia Therapy Stimuil Kit (CATS Kit)	Communication and Rehabilitation Therapies www.CommRehabTx.com	2006	USA	The CATS Kit contains simple, clear, bold black and white illustrations of common objects and basic verbs to use as visual stimuli for patients and clients. Can be used at most levels of therapy, from the lowest levels of attention to the highest levels of cognitive therapy for reasoning, judgment and problem solving.
8	Connect Ideas Series: Access to the Arts for People with a Communication Disability	Connect (Communication Disability Network)	2005	UK	A guide for arts organisations. To help people with aphasia to enjoy easy and equal access to museums, galleries, and arts-based activities.
9	Connect Ideas Series: Better Conversations. A Guide for Relatives of People with a Communication Disability	Connect (Communication Disability Network)	2005	UK	To help people living with aphasia to have better conversations.
