Meeting people

Wow you have aphasia too!

Never had speech therapy!

GPs don't understand aphasia

Aphasia is frightening

worries

- Will I die??
- Will I have another stroke?

Life is different

Life in the Different Lane

Aphasia is part of new life

Things that help

- Friends
- Go for a walk
- Your spouse, family are very important

Its scary for them too

Don't sit in the corner

Go to an aphasia group

Look out for those we have missed!
