

# Do you have **aphasia**? Do you **know** or **use two (2)** or more **languages**?

Seeking bilingual people with aphasia and/or their **families** for a **research project**.

## Information:

We want to find out about the **experiences you** or **your family** have had when **accessing** or **using health or support services**. We want to **understand** more about your **needs** to see how **speech-language therapy services** can be **improved** for you and your family.

## What will happen?

- You will be asked some **questions** in a **face-to-face interview**.
- If there is a **Covid-19 lockdown**, the interview will be moved to an **online platform** of your choice (for example, **Zoom** or **Skype**)
- Your responses will be **audio-recorded**.
- The interview can take **one to two (1 to 2) hours**.
- All the information will be kept **confidential**.
- You will get a **\$20 petrol voucher** for your participation

## Who can take part?

- You must have had **aphasia** for **six (6) months** or longer.
- You must **use** or **know two (2)** or more **languages**.
- Your **family members** can take part.

If you would like to **participate** or want **more information**, please **e-mail** Darshana Suresh at **dsur166@aucklanduni.ac.nz**
