

Supporting people affected by aphasia for over 17 years

GIVE A LITTLE EVERY PAY

Aphasia New Zealand supports people affected by aphasia. We work directly with people who have aphasia, their whānau and friends, and we raise awareness of aphasia within the community. AphasiaNZ is the only national charity supporting people with aphasia in Aotearoa.

Our Community Aphasia Advisors across the country provide information, advice and resources through home visits, Kōrero Club meetings, supported conversation training, and workshops and events. We facilitate over 6000 contacts with people affected by aphasia each year – and this number continues to grow.

What is payroll giving

Payroll Giving allows you to make donations directly from your pay and receive immediate tax credits via PAYE.

If your donation is \$5 or more, you receive a third of the donation amount as a tax rebate. For example, if you donate \$10 you will have a reduction of \$6.66 on your take-home pay.

Plus, there is no need to keep receipts or file an annual donation claim form to the IRD.

Can you spare us the cost of a coffee a fortnight?

What your donation can help us offer:

- \$10** will cover the cost of one person attending our online Kōrero Club.
- \$20** will send a resource pack to a family affected by aphasia
- \$50** will print a copy of the NZ Stroke and Aphasia Handbook
