

# I have aphasia which affects my communication

## You can...

## I can...

If we get stuck we can:

- **acknowledge** the difficulties
- **recap** where we've got to
- decide together whether we're going to **carry on** or **come back** to it later

# What is aphasia?

Talking is difficult

People talk too fast

I used to love  
reading and writing...  
now it's hard

Words go missing

Dealing with  
numbers and  
money... very  
difficult

Sometimes it's  
hard to keep up  
with conversation

No words  
at all

Everything  
takes longer

Confidence  
has gone

It's a mystery  
for me and  
other people
